## ANIMAL AID

A GIFT WITH A DIFFERENCE!

Give an animal on your own behalf or else as a gift to a friend.

PIG £30

GOAT £20

2 HENS £5

The genocide and AIDS have produced many widows and child-headed families in Rwanda. Often these people do not have the support of a wider family network and must depend on a hand-to-mouth existence.

RWANDA AID is giving pigs, goats and hens to the most vulnerable people and supporting them with training and veterinary services. This gives them the opportunity to improve their standard of living. The manure can be used to improve the soil in their kitchen garden, boosting their harvest of vegetables. Some of the offspring of the animals can be sold to provide an income. The meat and eggs will vastly improve their protein-deficient diet. Instead of just existing they can plan for the future.

**We also insist that recipients pass on the first offspring to another vulnerable family so that the scheme is self-perpetuating.**

### GIVE AN ANIMAL

If you would like to give an animal just fill in the form attached below and send it to us with a cheque made out to Rwanda Aid. We will carry out your instructions. We cannot give you individual feedback on who has received your gift or how they are getting on, but our e-mail newsletters for Friends of Rwanda Aid report regularly on the progress of all our projects. To receive these, e-mail David Chaplin at

[david.chaplin@rwanda-aid.org](mailto:david.chaplin@rwanda-aid.org)

You may like to give these animals instead of your usual gifts to family and friends. We can send you greetings cards which are made by local girls using dried banana leaves, so you can explain to your friends what you have done.
